RRP £220\*

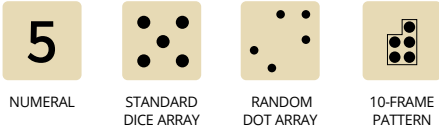

## Natural Counting Log

Develop deep number sense with this beautifully simple wooden log with equal-sized holes into which children can count out the appropriate number of sticks from a pile. When placed correctly in the sections, children can easily see the difference between the numbers (cardinality). Each side of the log shows a slightly different range of numerals (1-10 on one side and 0-9 on the other), making it helpful to teach number order and the value of zero. Includes log, size 465mm long and 60 counting sticks, size 60mm.

Safe for 18m+  
YD1160

RRP £45\*

Each base shows four different number representations

### 1-10 Natural Number Stacker

This inviting number stacker is a great way to support early number sense and counting. Children will be able to see clearly the 'howmany' of each number, subitise through different patterns, 1:1 counting, 1 more/1 less and difference. The bases show: numeral, standard 1-5 dice array, random dot array and 10-frame pattern. Set includes ten number posts and 55 rings. Size 60-170mm high.

Safe for 18m+  
YD1133 RRP £50\*

### Number Pebbles

These popular pebbles appeal to children's instinct to explore, investigate, sort and collect. Each pebble is engraved and painted with a numeral, and will not fade over time. They are durable and weatherproof, and are ideal for use in sand, water and outdoor play. The Sum-building Set contains both number (0-20) and operation pebbles, offering a playful way to introduce children to sums. Safe for 2+.

### Number Bonds to 10

22 pebbles (0-10). Size 30-45mm.

A young child with curly hair, wearing a pink hoodie and pink pants, is smiling and looking towards the camera. They are holding a circular wooden toy with colorful ribbons (yellow, orange, blue, green) attached to it. The toy is a wooden ring with several small red pegs around its edge, and the ribbons are woven through these pegs. The child is standing outdoors on a ground covered with dry leaves and twigs, next to a tree trunk.

# fine motor skills

Little hands, fingers and thumbs need plenty of practice to strengthen muscles and develop motor control. We have a range of resources to help with just this!

## Natural Weaving Frames

This set of two notched rectangular wooden frames is a versatile resource when combined with a variety of threading materials to create mini-tapestries of colour and texture. Largest frame size 255 x 184mm.

Safe for 18m+  
YD1136

RRP £25\*

## Natural Threading Frames

Use wool, laces, string or ribbons, alongside natural materials, to create colourful compositions and help children to develop hand-eye co-ordination, dexterity and concentration skills. Set of three. Largest frame diameter 210mm.

**27-36**

A white rectangular tray is filled with water, serving as a miniature ocean. The water is a light blue color. Various colorful plastic toys are scattered throughout: a red and white striped fish, a yellow fish with a dark spot, a blue fish, a green flatfish, a blue starfish, a purple coral, a red coral, a yellow coral, and a pink coral. There are also several smooth, rounded rocks in various colors like grey, brown, and tan. The background is a green surface, possibly grass.

## Our story

We spread the joy of **play-based learning** through resources that inspire, excite and delight! Our resources are well-loved and well-known for their **quality, innovative design**, and **open-ended** nature.

## FSC®-certified

We are delighted to have **FSC-certification** for all our wooden resources. By choosing our **natural wood** products, you will be supporting responsible management of the world's forests.

## Five-year guarantee

Day in and day out, our products are tested to the **toughest of standards** to withstand whatever children can throw at them – sand, water and mud included! Our learning resources are built to last, so we're proud to offer a **five-year play-proof guarantee** across our whole range.

## Replacement parts

If you happen to misplace a component from any of our sets, find **peace of mind** in knowing we can provide a replacement to ensure the set remains whole.

## Designed by experts

By utilising **quality materials** like stone and FSC® wood, our team of experts creates **award-winning** multisensory resources loved by practitioners and children.

## Educational value

From **early maths** to **imaginative play**, our resources provide rich educational opportunities for children to explore **early learning concepts** in hands-on, meaningful ways.

## FREE supporting materials

We've created a collection of **downloadable** materials to support our resources, providing practical ways to **inspire learning**, extend play and reinforce key learning concepts.

## The **Sustainable** Choice

At the heart of our brand is a commitment to **sustainability**, embedded in every process and product. We believe that sustainable decisions lead to **lifelong change**, and that's why our resources are designed to last and withstand the rigors of **educational environments**, providing a greener, enduring choice for classrooms everywhere.

## **Environmental** responsibility

We strive to **minimise waste**, reduce plastic use and shrink our carbon footprint, all while embracing sustainably-sourced materials. Every box we ship is crafted from **recycled card**, free from plastic interiors and shipped in **eco-friendly packaging**. We partner only with freight forwarders dedicated to minimising their carbon footprint.

## Corporate social **responsibility**

Each year we **donate** a percentage of our profits and surplus stock to charities. We proudly offer a staff **volunteering program**, contributing to a Forest School initiative that provides an enriching **outdoor experience** for children.

## Governance with **integrity**

**Governance** is integral to our operations, and we maintain rigorous standards for **ethical trading** with our suppliers. Through regular audits of our overseas factories and a strict anti-bribery policy, we uphold a commitment to **responsible sourcing** and **fair practices**.
